

## At School

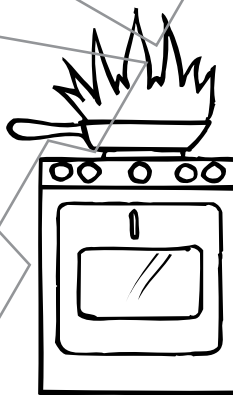

Follow me.  
Be quiet. Walk.  
Keep hands and feet to yourself.

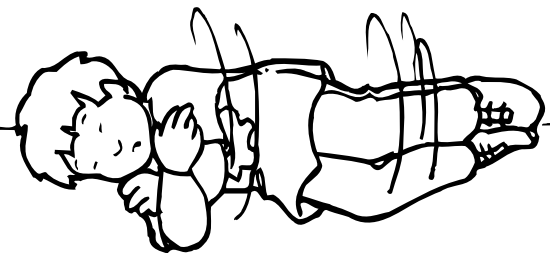

## At Home

Call 911 if there  
is a fire. Get  
away from the  
house fast!

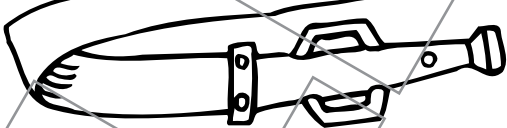

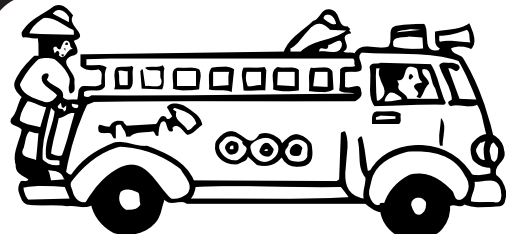

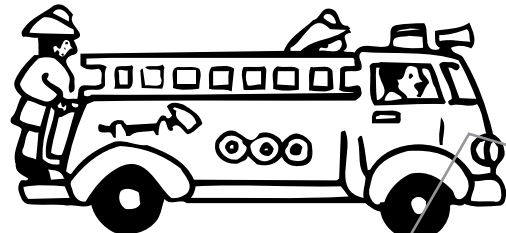

Stop, drop, and  
roll if your  
clothes catch  
on fire.

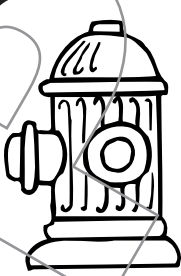

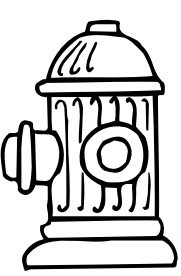

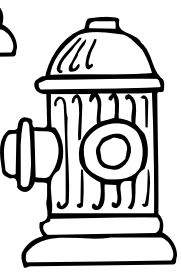

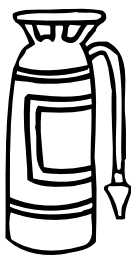

Read about fire safety with your teacher.  
Tell ways that you can stay safe.
