Certificate of Achievement .....	<b>191</b>

# Counting and Order

Count numbers in order when you count by 1s.  
You can start at any number.

15, 16, 17, 18, 19, 20, ...

Count by 1s. Write the missing numbers.

1.

2.

3.

4.

5.

6.

# Nouns: Naming Words

A **noun** is a naming word. It names people, animals, places, and things.

girl

bear

city

boat

Write the word from the box that names each picture.

ant

bed

boy

car

dog

house

1.

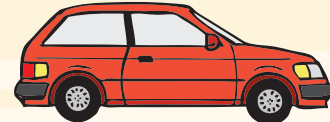

2.

3.

4.

5.

6.

Listen as the story is read aloud twice. Then answer the questions.

## Ana's Pet

by Will Barto

- 1 Ana carefully cleaned her bird's cage. Her pet bird sat on its perch. Then Ana's little brother ran in the back door. The door stayed open. Suddenly, Ana's bird flew out the door!
- 2 Ana ran outside. She looked up in a tree. Her bird looked back at Ana.
- 3 "Please come back," Ana called to her bird. "Get into your cage. It will soon be night." But the bird did not come back.
- 4 Then Ana had an idea. She got the cage. She put some food in the cage. She put the cage near the tree. The bird flew into the cage. Ana quickly shut the cage door.

1. What type of pet does Ana have?

- A dog
- B cat
- C bird
- D turtle

2. How did Ana's pet get out of the house?

- A Ana left it out.
- B The back door was open.
- C Ana's little brother put it outside.
- D It was always outside.

3. Why did Ana want to get her pet out of the tree?

- A Night was coming.
- B Ana's father was coming.
- C A cat was coming.
- D It was time to eat.

4. How did Ana get her pet out of the tree?

- A with a ladder
- B by talking
- C with a toy
- D with food

5. Write a summary of this story. Answer the question on a separate piece of paper.

# Math Midpoint Review

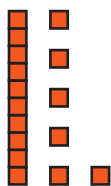

Solve.

1. Write the missing numbers.

20 \_\_\_\_\_ 24

26 \_\_\_\_\_ 28

2. Look at these blocks.

What number do the blocks show?

- A 7
- B 16
- C 17
- D 26
