

eBook Registration Checklist

Please have this information on hand:

1. Your eBook order that was placed with us
2. If you require single sign-on and rostering
3. How you plan to distribute your eBooks across all the schools in your district:
For each Student Book title and grade/level of an eBook series:
 - Number of associated student eBooks across all schools
 - Number of associated users who will need teacher-admin level access across all schools
 - Number of associated schools that will be using these eBooks
4. If you purchased Teacher's Edition eBooks, how you plan to distribute them across your schools:
For each title and grade/level of eBook series you purchased:
 - Number of associated teacher edition eBooks that you purchased
 - Number of associated schools that will be using your purchased eBooks

Frequently Asked Questions

Q: What are Teacher Admin Users?

A: Teacher Admin Users access the student ebooks to manage students and classes, give assignments, and view reporting.

Q: How many Teachers Admin Users can I include with each grade/level eBook in a series?

A: 1 Teacher Admin User can be added per 10 student eBook licenses purchased.
This number does not count towards purchased student licenses.
