Write an Opinion

Pretend you have received a letter from a pen pal in another country. Read the letter. Then write a paragraph answering your pen pal's questions. Be sure to provide reasons and examples to support your ideas. Use complete sentences.

1. Dear Friend,

Hello from Scotland. My name is Skye. I am in fourth grade. Almost every day, I go to a park near my school. I noticed a lot of trash on the ground. The trash looked sloppy, and plastic can harm animals. I asked my dad what we could do about it. We bought a special tool to help. The long tool has something like a crab claw at the end. You can open and close it with a button. We can pick up trash and put it in a trash can without touching the trash with our hands. It is fun to use. Now the park looks nicer!

Do you have a good idea for trash cleanup?

Please write back soon!

Your pen pal,
Skye
