The Write Track for English Learners

Grades K–12

My Language Journal

Grades K–12

Skill focus	Foundational reading skills	Academic language	ELP assessment readiness	Essential English for school and life	Writing development	Writing and content vocabulary practice
What it does	Develops basic readiness skills as well as phonemic awareness and letter-sound knowledge through activities that engage language skills	Builds grade-level academic language needed for classroom success using language-centered lessons	Prepares students for state ELP tests, including WIDA's ACCESS for ELLs® 2.0, with practice for tested item types and progress monitoring	Supports newcomers in developing English vocabulary and life skills necessary to communicate effectively with others	Helps students develop written communication skills for classroom writing assignments and state testing requirements using a gradual release of responsibility model	Allows students to use their personal experiences to develop content vocabulary and practice writing skills through activities that engage their visual learning
Proficiency levels	Emergent learners	Emerging, Transitioning, and Expanding levels	All students taking state ELP assessments	New US arrivals at Beginning/Entering levels 1/2	Emerging, Transitioning, and Expanding levels	Emerging, Transitioning, and Expanding levels
