What do the books do?

Continental's *Jump Start* workbooks give students reading, language arts, and math review for the current year so they can start strong for the upcoming grade. All this practice promotes a strong understanding of skills and a solid foundation to build upon.

Grades K–8

Who is it for?

Jump Start is for students who are having difficulty mastering the basic grade-level skills taught in the classroom or who simply need a refresher of the skills taught.

Ideal for:

- Summer school and summer learning loss prevention
- Pull outs
- Intervention
- Before and after school
- Homework

Did you know?

On average, students lose approximately 2.6 months of grade level equivalency in mathematical computation skills over the summer months...Low-income students experience an average summer learning loss in reading achievement of more than 2 months.

—The Johns Hopkins University's Center for Summer Learning. "Primer on Summer Learning Loss." Reading Is Fundamental, n.d. Web. 04 Mar. 2015.

Book Organization

Short on time? *Jump Start* is paced for 9 weeks of review at 10 lessons per week. One ELA lesson and one math lesson give students a total of 30–45 minutes of practice each day.

COMPREHENSION: AUTHOR'S PURPOSE

Read the passage. Then answer the questions.

1 Many families love their pet dogs. Dogs have not always been used as pets. Through history, dogs have been used for hunting, guarding, safety, and friendship. In recent years, dogs have become a favorite house pet for humans. There are over 300 kinds of dogs that people have as pets.

2 A lot of people treat their pet dogs like their own children. There are now dog daycare centers. These are places where dogs go to play when their owners are working. There are dog hotels for when owners are out of town. There are special dog grooming shops. Some people even use special dog strollers for smaller dogs that cannot take long walks.

1. Part A

What is the author's main purpose in writing this article?

- A to give general information about pet dogs
- B to tell an exciting story about a pet dog
- C to give instructions for taking care of dogs
- D to describe different kinds of pet dogs

WRITING PARAGRAPHS

All the sentences in a paragraph should tell about one thing or idea.

Begin the first sentences of a paragraph in from the left margin.

→ There are many kinds of houses. Some are big and some are small. There are also very old houses as well as new ones.

Rewrite the following group of sentences in paragraph form. Leave out the two sentences that do not belong. Be sure to begin the first sentence of the paragraph in from the left margin.

Many city people live in apartments. Their buildings may be many stories high. I like to read stories. In the country, houses are farther apart. People often have to go a long way to visit each other. Felipe's dad works in a bank.

COMPREHENSION: ANALYZING LANGUAGE

Read the passage. Then answer the questions.

Sea Shell

by Amy Lowell

Sea Shell, Sea Shell,
Sing me a song, please!
A song of ships, and sailormen,
And parrots, and tropical trees,
Of islands lost in the Spanish Main,
Which no man ever may find again,
Of fishes and corals under the waves,
And seahorses stabled in great green caves.

Sea Shell, Sea Shell,
Sing of the things you know so well.

1. Which line from the poem is not an example of alliteration?

A "A song of ships, and sailormen."

Theme in Yellow

by Carl Sandburg

I spot the hills
With yellow balls in autumn.
I light the prairie cornfields
Orange and tawny gold clusters
5 And I am called pumpkins.
On the last of October
When dusk is fallen
Children join hands
And circle round me
10 Singing ghost songs
And love to the harvest moon;
I am a jack-o'-lantern
With terrible teeth
And the children know
15 I am fooling.

9. Part A

What word best describes the speaker in the poem?
