

What does the book do?

NYS Finish Line Algebra I provides instruction and practice for the New York Common Core Learning Standards (CCLS) and prepares students for the Regents Algebra I (Common Core) exam. Components include a student workbook and a teacher's guide.

Grades 8–12

Standards Alignment

The content addresses all focus standards identified for the traditional Algebra I course assessed by the exam. The modules follow the same sequence as those identified for this course in the *NYS Common Core Mathematics Curriculum for Algebra I* as described by EngageNY.org. Each module is broken down into lessons that address one or more standards.
