

A K-2 series from Seedling...

# Sprout and Read Sets

# What do the sets do?

*Sprout and Read* sets are project-based reading and writing tools designed to meet the higher cognitive expectations of the K–2 Common Core State Standards for ELA. Each set pairs a Seedling reader and a *Sprouts* booklet based on theme, vocabulary, and level. A total of 18 leveled sets are available.

## CCSS Connections

When using Seedling books and *Sprouts* together the children's oral language becomes an anchor in both reading and writing. This partnership of reading, writing, and oral language, based on the same vocabulary, provides connections for the Common Core State Standards. In small groups or individually, children talk about the books, read independently or with guidance, and solidify their knowledge through writing.

# What's in each set?

Each set includes:

- 1 printed Seedling reader
- 1 CD with PDF files for a *Sprouts* booklet, word card, picture card, teacher's guide, and activity page.

# Printed Seedling Reader

Seedling readers are leveled to help you choose the right *Sprout and Read* combination for each student's ability. Books range from Reading Recovery® levels 1 to 7 and guided reading levels A to E.

# PDF Files on the CD

Files 1–3: A *Sprouts* booklet, word card, and picture card

*Sprouts* is an efficient way to produce individualized, student-created text for the beginning reader and to practice high-frequency words in context. Teachers can print the files and assemble the booklet. Students can cut and paste the cards.
